Produkt info

Container: 750 ml Spray

Application Area

Intensive Cleaner is a unique ready- to- use- spray for the all- round cleaning of all interior wood work such as furniture, staircases, doors, panels and worktops independently whether the surfaces are oiled, waxed or lacquered

Result

It provides an excellent cleaning and removes the most difficult dirt, grease and stains and it is fast and simple to apply.

Application

Before use shake bottle of Intensive Cleaner carefully.

Spray the Intensive Cleaner onto the surface

Leave solution to dissolve stain and dirt etc. Wipe surface dry with a firmly wrung cotton cloth. Leave surface to dry

Maintenance

- Oiled surfaces are re-oiled with one of the WOCA oils
- Waxed surfaces are re-oiled with the WOCA Maintenance Paste
- Lacquered Surfaces are rejuvenated with WOCA Lacquer Care

How to do...

- WOCA Intensive Cleaner:
For the daily cleaning of indoor products

Tools

Soft lint-free cotton cloths.

Clean tools with water and soap.

Ready Mixed

Intensive Cleaner is a unique ready- to- use- spray for the all- round cleaning of all interior wood work such as furniture, staircases, doors, panels and worktops independently whether the surfaces are oiled, waxed or lacquered. It provides an excellent cleaning and removes the most difficult dirt, grease and stains and it is fast and simple to apply.

- 1** Before use shake bottle of Intensive Cleaner carefully. Spray the Intensive Cleaner onto the surface
- 2** Leave solution to dissolve stain and dirt etc. Wipe surface dry with a firmly wrung cotton cloth. Leave surface to dry

Tip: If extremely difficult stain, we also recommend WOCA Spot Remover
